THE CHRONOGARCHY

"THE CHRONOGARCHY:

"How Interdimensional Quantum Access Time Travel Manipulates Human Events, Human History, and the Interlife Kindle Edition [A Non-Fiction Treatise]

by Alfred Lambremont Webre(Author)

"Book Review by Dr. Raymond A. Keller of Alfred Lambremont Webre's THE CHRONOGARCHY (Universe Books)

"Alfred Lambremont Webre, JD, MEd, is a graduate of Yale University and Yale Law School and a former Fulbright Scholar. He has taught economics at Yale University and constitutional law at the University of Texas. In addition, he served as the former general counsel to the New York City Environmental Protection Administration and former director of the 1977 Jimmy Carter White House extraterrestrial communication study, and former non-governmental organization delegate to the United Nations. The author of Exopolitics: Politics, Government, and Law in the Universe, he is the recognized 'Father of Exopolitics,' the science of relations among intelligent civilizations in the multiverse. Now, Alfred Lambremont Webre has come out with a new book, The Chronogarchy (Universe Books).

The word 'Chronogarchy' is a neologism that signifies 'Those Who Rule Through Time,' or the manipulation of it. These are wizards standing behind curtains and directing the matrix system to which we all find ourselves subjected. The exopolitical expert describes the Chronogarchy as, "an interdimensional alliance dedicated to the oppression of the community of human souls, and includes factions in human institutions such as religions, governments, military-intelligence agencies, bloodline families, monarchies, media, medical-pharma, as well as Archonic Spiritual entities, including Fallen Angels, demonic entities, and exophenotypes hostile to the community of human souls such as the Draco Reptilians, Orion Greys, and sentient Artificial Intelligence (AI).

"In The Chronogarchy, Alfred Lambremont Webre delves into the real nature of space, time and inter-dimensionality. He interviews many of the leading authorities and experiencers in these fields, thereby facilitating an awareness of the people, powers and organizations constituting the network of the Chronogarchy's existence and helping us to formulate viable defense strategies in the coming years of increasing tribulations. We also learn of the 'good guys' helping us from 'behind the scenes,' so to speak, thereby pointing to a light of hope at the end of a long, dark tunnel."
