Hawk Family statement

On behalf of the family, we appreciate your patience while we are still grieving over the loss of our beloved family members, Tommy, Evelyn and Luke Hawk.

We are incredibly grateful to the efforts of our local law enforcement including the Grantville Police and Coweta County Sheriff's department, as well as the ATF and GBI—having a murder suspect in custody so quickly, was certainly a team effort. We are continuing to pray for their teams, as well as the District Attorney's office during this stressful time, and we will continue to pray for the redemption of the perpetrator.

Thank you again, to the City of Grantville and the community at large for such an outpouring of love and support. We appreciate the prayer vigil in our family's honor that was well-attended. We are so honored that you all took out the time to do that. And your prayers are felt-and are certainly needed as we progress to the next phase which will be the court case.

Our intent is to meet with you today, and not again until justice is served.
