

# HITS Acquires Competitor Microtek

*Premier Document and Data Management Company HITS Acquires Competitor Microtek*

ST. LOUIS, MO, UNITED STATES, May 2, 2022 /EINPresswire.com/ -- HITS, a leader in its field of information technology, has announced its acquisition of Microtek Document Imaging Systems

Inc. As the collection of data has become more important to businesses now more than ever, HITS is expanding its growth to offer a wider range of services to the industry.

“

Acquiring Microtek fits with our mission to further expand our services to the St. Louis market and adds years of industry experience.”

*Michael Steinmann, CEO*

Microtek, headquartered in St. Louis, MO, is a full-service document solutions provider that has specialized services and systems for records, data, and information management for over 50 years. Their dedication has allowed organizations to eliminate the dependence on costly paper, microfilm, and microfiche records in favor of

more efficient technology alternatives.

Within the past six months, this is the second competitor HITS has acquired. The acquisition further expands HITS' service capabilities and reach in the St. Louis area. HITS is headquartered in Hazelwood, MO with satellite offices in downtown St. Louis, Maryland Heights, and Washington D.C.

"Acquiring Microtek fits with our mission to further expand our services to the St. Louis market and adds years of industry experience," said Michael Steinmann, CEO of HITS.
