The yoga global mat market consists of sales of yoga mats by entities (organizations, sole traders, and partnerships) that are engaged in manufacturing and selling yoga mats. Yoga global mats are also commonly known as non-slip mats, non-skid mats, or sticky mats. These mats are specially fabricated mats used to accommodate the body of a person while practicing yoga to prevent hands and feet from slipping during practicing yoga.

Global Yoga Mat Market Trends

The launch of eco-friendly products is a key trend in the yoga global mat market. Major companies are focusing on manufacturing eco-friendly mats to attract more customers and survive in the competitive business environment
