

GenieMD and LiPH Solutions Announce Collaboration to Provide Telehealth Services in Underserved Schools.

Ensuring every child has access to care.

DANVILLE, CALIFORNIA, UNITED STATES, May 2, 2022 / EINPresswire.com/ -- GenieMD, Inc ("GenieMD"), a provider of a HIPAA-compliant, cloud-based, mobile-first, virtual care platform and MAG Solutions Inc ("MAG") (aka LiPH), a leading innovator focused on addressing the needs of disadvantaged people who cannot afford or get accessible care, have announced a partnership that leverages the GenieMD virtual care platform to be deployed in school districts within some of the largest underserved communities.

"We are thrilled and excited to partner with MAG to offer our telehealth solution to over 4000 schools in many underserved communities in the country. Health care in any corner of the world must of accessible and affordable to all." Said Dr. Soheil Saadat, Founder and CEO GenieMD, "We are grateful for the support of General Motors, The Citizen Education Fund and Rainbow Push Coalition for their generous support of this extremely valuable program where students at these schools will have access to care when they need it."

GenieMD, was recently recognized by Frost & Sullivan as the Technology Innovation Leader across the North America Virtual Care Industry, provides a complete end-to-end, modular, customizable and scalable virtual care platform, inclusive of Telehealth, Remote Patient Monitoring (RPM), Remote Therapeutic Monitoring (RTM) and Chronic Care Management (CCM) coupled with clinical services via GenieMD Medical Group. GenieMD collaborates with their client partners to extend care from the providers brick-n-mortar presence to the home with a specific focus on moving the patient from an awareness to wellness.

"The how and what of our company is to reduce the disparities in healthcare, while enriching the

The how and what of our company is to reduce the disparities in healthcare, while enriching the lives of people around the world.”

Tracy Grace, EVP and Chief Nursing Officer of MAG Global Holdings, Inc.

lives of people around the world by providing safe, secure access to a patient centered virtual experience along with providing faster, more reliable Healthcare and humanize the patient experience while reaching more people in underserved communities”, said, Tracy Grace, Executive Vice President and Chief Nursing Officer of MAG Global Holdings, Inc.
