LOS ANGELES, CALIFORNIA, UNITED STATES, May 3, 2022 /

EINPresswire.com/ -- Latin pop singer [Paloma Rush](#) has released her second smash hit single of 2022, ‘Si Tu Regresas’ and it’s already raising new milestones in the Latina’s career.

Joined once again by writer-producer Raymond Jones, the Mexican-Cali recording artist, penned ‘Si Tu Regresas’ about that one toxic lover who is trying to make their way back into your life but is given the hard pass for a second chance.

“We recorded the vocals to this song at Jones’s studio in Eagle Rock, in Los Angeles, while drinking a little tequila and pulling long hours.,” said Paloma Rush. “We filmed the accompanying

music video with Jocelyn Hsu and Rene Amador of AR Wall, who had just wrapped on filming the “Muppet Haunted House” using state-of-the-art technology. The new augmented reality studio they've built is incredible and being able to virtually shoot with so many 3D models was crazy!”
