

# Celebrities Shined in Statement Platinum Jewelry Designs at the Met Gala

*Bold Necklaces and Earrings, Cocktail Rings, and Stackable Bracelets are Popular Trends on the Red Carpet*

LOS ANGELES, CALIFORNIA, USA, May 3, 2022 /EINPresswire.com/ -- Hollywood's most famous names sparkled in unique platinum jewelry designs at the 2022 Met Gala celebrating "In America: An Anthology of Fashion". Platinum, the naturally white setting that truly enhances the brilliance of diamonds and colored gemstones, perfectly complemented the edgy couture gowns, stylish makeup and hairstyles, and even the custom mens' suits.

The most noticeable platinum jewelry trends were bold necklaces and earrings, cocktail rings on multiple fingers, and stackable bracelets. Celebrities including Billie Eilish, Hailey Bieber, Maude Apatow, and Daisy Edgar-Jones wore statement platinum designs that were sophisticated yet contemporary.

Platinum Guild International is pleased to share that leading red carpet jewelry brands such as Kwiat, Fred Leighton, Tiffany & Co., Cartier, De Beers, Jacob & Co., and Bayco chose to style A-list celebrities in naturally white platinum.

### About Platinum Jewelry

Platinum is the ideal choice for red carpet jewelry because it holds diamonds and precious gemstones more securely than any other metal. It is not only the highest quality metal, but its density makes it one of the most durable and enduring precious metals. Platinum is also naturally white, unlike white gold, which means it will not cast any tint onto a diamond or gemstone, allowing the stone's genuine color to sparkle brightly.
