"We are thrilled to be launching these new products at a world-renowned trade show like CHAMPS where we will have the chance to interface with investors and buyers," said Dr. Le. "I am confident that everyone we speak with at CHAMPS will be impressed with the quality of our product offerings. "

Hhemp.co's terpene-infused, kief CBG and CBD products are available in different cannabinoid variations such as CBG with CBD, Delta-8 and THCO. They are also formulated with flavorful terpenes blends:

- Gelato
- Master Kush and Animal Mints
- Maui Wowie and Super Sour Diesel

- Tropicana Cookies and Berry Gelato
- Gorilla Glue and Grape Soda
- Fire OG and Fruit Punch Cloudbust
- Sour Tangie and Lemon Jack

Unlike many CBD products, Hhemp.co's products contain both CBD and CBG. CBG and CBD create an ultra-entourage effect in combination. Isolated CBG and CBD each have their own beneficial properties, but when CBD and CBG are taken together the benefits are amplified. Hhemp.co is driven by a passion to keep innovating and continue generating new advantageous products.

CHAMPS Trade Shows has established itself as the premier business-to-business trade expo serving the smoke shop industry. Since 1999, hundreds of exhibitors have met face-to-face with thousands of retail and wholesale buyers from all over the world at CHAMPS Trade Shows in places like Las Vegas, Atlantic City, Denver, Orlando, and Chicago. This year's CHAMPS East Coast is the second CHAMPS event of 2022 and will be returning to Atlantic City, New Jersey from May 3-5.
