

WORKPRO® Tools Brings CountryTime Lemonade No. 68 Car Back To Life For Throwback Weekend At Darlington

While Being Entered in NASCAR's Paint Scheme Fan Vote

TAMPA, FL, USA, May 3, 2022

/EINPresswire.com/ -- When Life Gives You Lemons, Make Lemonade.

[WORKPRO® Tools](#) will be doing exactly that this weekend as they look to make their mark on NASCAR Throwback Weekend at [Darlington Raceway](#).

Throwback Weekend is the one weekend of the year where throwbacks make a comeback, as teams are tasked with running paint schemes that mimic previous ones and/or honor past drivers.

International tool brand, WORKPRO® Tools, is the primary sponsor of the No. 66 car this weekend, whose paint scheme is based off of NASCAR driver Bobby Hamilton's No. 68 CountryTime Lemonade Car that he ran in the 90's. Back then, Hamilton's car was covered in vibrant yellow paint and hot pink numbers with "Country Time" spelled out on the hood, sides, and bumper of the car. This weekend, the MBM Motorsports No. 66 car will be wrapped in that same hot pink with yellow lettering that spells out "WORKPRO®".

Already receiving recognition, the WORKPRO® No. 66 Car was entered in the [NASCAR Xfinity Series Throwback Paint Scheme Fan Vote](#) that leaves the decision for the best looking car in the hands of NASCAR fans. Voting is open until Thursday, May 5th at 5PM and can be found at <https://www.darlingtonraceway.com/nxsthrowbackfanvote/>.

For the past 25 years, WORKPRO® has been an industry leader in tool innovation, with their main focus being to instill a “Can Do” attitude in their “Weekend Warrior” customers while providing them with high quality, affordable, and dependable tools. This weekend at Darlington Raceway, they look to JJ Yeley of MBM Motorsports to carry that weekend warrior spirit to victory lane in the NASCAR Xfinity Series Mahindra ROXOR 200 on Saturday, May 7th at 1:30PM.
