Produced by Grammy-nominated producer Michael Thomas Franklin.

Kristie DeLuca - Voices In My Head

“There is a question I’ve always had. Is one insane to make the music or does the music make one insane. Kristie DeLuca is insanely talented. I was insanely honored to play drums on her album ‘Voices In My Head’ which is an insane title! Produced by Michael Franklin for ‘Solar Music’ who brought together an insanely talented bunch of musicians, has done an outstanding job on these insane songs. So I guess the answer to my question is, one needs a room full of insanity to make a great record. Give it a listen but beware, it might drive you insane!” - Liberty DeVitto

“Kristie DeLuca has been the daughter of a touring preacher, a fulltime nurse and a fulltime musician. I featured her at Hard Rock Live and other venues, she is powerful song writer and performer. I couldn’t help myself but to produce these songs.” - Michael Franklin, Solar Music
