

New York State Dental Association and Abyde partner to deliver HIPAA compliance to dental care professionals

TAMPA, FLORIDA, UNITED STATES, May 5, 2022 /EINPresswire.com/ -- Industry-leading compliance solution provider Abyde announces its latest partnership with New York State Dental Association (NYSDA), offering a complete user-friendly HIPAA program to NYSDA's members.

Promoting our simplified solution to NYSDA's members will be a priority as we empower them through education."

Matt DiBlasi, President

This latest collaboration with the New York State Dental Association furthers Abyde's efforts to assist dental practices in achieving total compliance with ease. The partnership will give NYSDA members ongoing access to Abyde's team of compliance experts, leading education, and comprehensive software solution.

As HIPAA violations continue to rise for dental practices in 2022, the need for practices to recognize the importance

and implement strong compliance programs is supported through this latest partnership. Abyde's revolutionary approach to HIPAA compliance guides practices through mandatory HIPAA requirements such as the Security Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, dynamically generated policies, and more.

"Our partners continue to be valuable additions to our rapidly expanding footprint! Promoting our simplified solution to NYSDA's members will be a priority as we empower them through education," said Matt DiBlasi, President of Abyde. "It is our shared goal that NYSDA members meet essential government compliance requirements in the most efficient and cost-effective way."

"Abyde is the most efficient and cost-effective way for any sized dental practice to establish and sustain HIPAA compliance," said Joseph R. Caruso, Jr, DDS, chair of NYSDA Support Services, Inc. "We are excited to get our partnership started."
