“We knew that addressing the IM+CANS submission requirement was looming on the horizon,” said Dr. Twin Green, Founder and CEO of The Link & Option Center. “After consulting with the EnSoftek team, it soon became clear that DrCloudEHR would allow us to streamline our existing processes and revolutionize the way we submit CANS/HRA Assessments.”

“We are delighted to achieve this milestone in our growing partnership with The Link & Option Center team and are committed to helping them achieve their goals for years to come,” said EnSoftek CEO Ramana Reddy.

Similar to many EnSoftek customers, The Link & Option Center is constantly responding to an ever-changing landscape of federal and state compliance requirements. With the deadline to incorporate time-consuming submission procedures, the team realized the need for an EHR technology partner that would collaborate with them within a configurable solution to meet their current and future needs.

“Our IM+CANS integration is another example of EnSoftek’s commitment to the evolving needs of Illinois behavioral health providers,” said Masoud Rabie, Chief Growth Officer of EnSoftek Inc. “A provider’s time is a valuable resource, and we are excited to offer this feature to save time and comply with regulations.”
