

FUELARTS launches specialized online courses for ART+TECH startups & DIGITAL & NFT startups May, 16

FUELARTS - the first accelerator for Art+Tech and NFT based startups - this May launches two online pre-acceleration programs:

NEW YORK, USA, May 5, 2022

[/EINPresswire.com/](https://EINPresswire.com/) -- ART+TECH STARTUPS

devoted to the digital transformation of the traditional Art Market

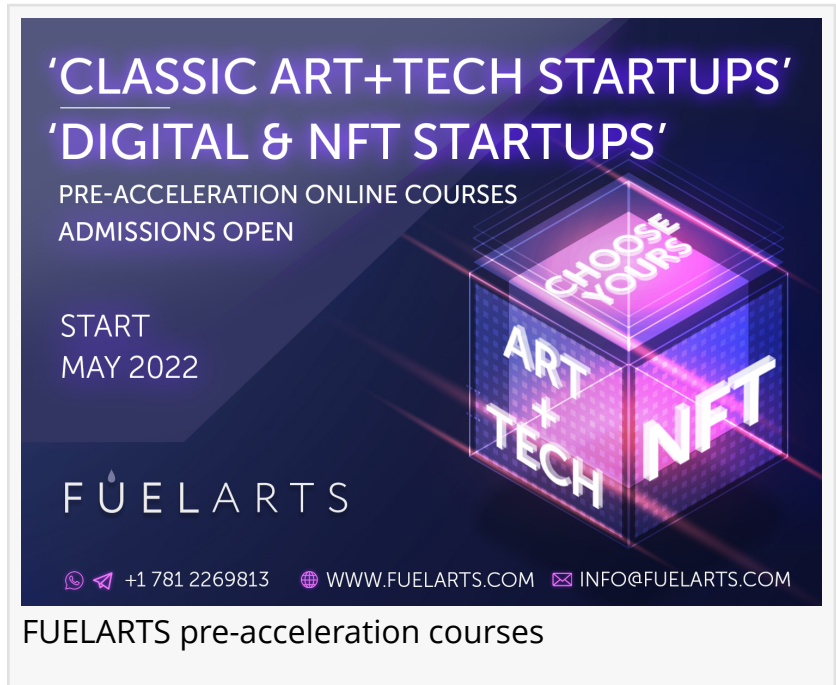

15 workshops, 3 days/week, 4 weeks, 30 hours

&

DIGITAL & NFT STARTUPS

dedicated to startups and NFT-based products

22 workshops, 3 days/week, 4 weeks, 50 hours

The graphic is a dark blue and purple 3D cube with glowing lines. The top face of the cube says 'CHOOSE YOURS'. The front face says 'ART+TECH' and the right face says 'NFT'. Text to the left of the cube reads: 'CLASSIC ART+TECH STARTUPS', 'DIGITAL & NFT STARTUPS', 'PRE-ACCELERATION ONLINE COURSES', 'ADMISSIONS OPEN', 'START MAY 2022'. At the bottom of the cube is the 'FUELARTS' logo. Below the cube, contact information is listed: a WhatsApp icon, a globe icon, '+1 781 2269813', another globe icon, 'WWW.FUELARTS.COM', and an envelope icon, 'INFO@FUELARTS.COM'. Below the entire graphic, the text 'FUELARTS pre-acceleration courses' is written.

These programs meet the needs of multiple audiences and help to address prior professional development goals:

STARTUP FOUNDERS & CULTURAL ENTREPRENEURS

- To get professional support on your entrepreneurial journey
- To receive guidance and practical tools for scaling up your startup
- To explore the intersection of Art, Technology and Business

ART MANAGERS & GALLERY OWNERS

- To understand the digital transformation of the Art Market and its future
- To expand your Art Management expertise
- To successfully conduct professional activities based on the latest analytics and trends

ARTISTS & NFT CREATORS

- To receive guidance and practical tools for your career in the Digital Art Market.
- To become visible in the NFT space.
- To navigate the NFT world with us and get the secrets of monetizing your art globally.

STUDENTS & YOUNG PROFESSIONALS

- To understand the REAL Art World and its Digital realm
- To get insights into one of the fastest-growing industries
- To open professional networking opportunities to start your career in Art Business

The programs give early-stage founders the knowledge to fundraise and launch their Art+Tech / NFT startup 3 times faster and with a minimum budget. The team of professional mentors will provide them with practical tools while networking will open a wide variety of business opportunities.
