“We are proud to be recognized as one of the top IT managed service providers in our field. ExcalTech strives to be the “white glove” technology partner of choice for our clients across multiple vertical markets. Our approach of providing proactive service, security, and support sets us

apart from other providers in the managed services space. We owe a great deal of thanks to our clients and attribute our success to the hard work of the ExcalTech team,” says Justin Sampsel, VP, Sales & Business Development, ExcalTech. ”

This honor establishes ExcalTech's ongoing success as an expert IT partner for Illinois, Wisconsin, and Florida organizations. The annual list and research identify and honor the top 100 managed services providers (MSPs) in healthcare, legal, government, financial services, manufacturing, and additional vertical markets.

Business owners searching for superior IT services and support should note that this recognition is based on our direct, verifiable success as a business over the past year. Our fellow honorees generated a combined \$3.05 billion in vertical market annual recurring revenue (ARR) in 2021, up 42% from \$2.14 billion million in 2020.

We wouldn't have achieved the success we have so far if we weren't experts at what we do. We have steadily expanded our network of clients throughout Illinois, Wisconsin, and Florida by delivering an undeniably effective suite of [IT services and solutions](#). By optimizing, securing, and developing their IT systems, we help our clients grow and improve their businesses.

ExcalTech has been specifically recognized for its unique expertise in the government & education sector, ranking #99 on 2022's list of top IT companies. We provide Chicagoland IT

services designed for government agencies, park districts, and education institutions, giving them the freedom to focus on their organizational goals.

“ChannelE2E and CyberRisk Alliance congratulate ExcalTech on this honor,” said Amy Katz, executive VP and general manager of ChannelE2E, a CyberRisk Alliance resource. “Businesses worldwide increasingly outsource their most critical security, business automation and IT management requirements to the world’s Top 100 Vertical Market MSPs.”

Businesses in Illinois, Wisconsin, Indiana, and Florida that want to work with the best IT company available can stop their search—ChannelE2E has done your research for you. Partner with ExcalTech to harness nationally ranked IT expertise.
