solution. This could either be stand-alone technology, augmented to work with Microsoft Teams, or as a seamless migration path for legacy PBX platforms, such as Cisco Unified Communications Manager (CUCM). We are very proud of what we have helped our customers achieve through our solutions. For us to be noticed and rewarded in such a competitive industry is deeply gratifying.”

This marks the seventh year in a row that 101VOICE has scooped up this award. Thanks to the company's ongoing commitment to product innovation, customers enjoy the way that 101VOICE easily adapts to their ever-shifting needs. Ideally suited for the public sector and government schools, 101VOICE has built an impressive reputation within this market. The company recently announced new

updates to their applications, focused on the user experience and including single sign-on capabilities, enhanced video conferencing, and military-grade encryption, with more to follow in

the future.

This award is but one of many for 101VOICE, which has won more than 40 industry awards since 2015. Already this year, 101VOICE has scooped up Friend of the Channel, Remote Work Pioneer, and the Customer Product of the Year awards.

TMC CEO, Rich Tehrani, says, "101VOICE is a leader in the VoIP and IP Communications industries and has demonstrated innovation and excellence. We look forward to seeing their future successes and continued leadership driving new solutions for their customers."
