

ICML To Join Downstream's No.1 Conference & Exhibition This June in Houston

Well-known for certifying energy industry lube & oil practitioners, International Council for Machinery Lubrication is a media sponsor for the 10th annual expo.

TULSA, OK, UNITED STATES, May 10, 2022 /EINPresswire.com/ --

International Council for Machinery Lubrication (ICML) is excited to announce it is a media partner with Reuters Events: Downstream USA 2022 Exhibition (June 8-9, Houston TX).

In four weeks, Reuters Events:

Downstream USA 2022 opens at the NRG Center in Houston, hosting 5,000 attendees from across the US refining, petrochemical, LNG and chemical industry for two days. The event encompasses 4 business-critical tracks, 200 exhibition stands and an interactive exhibition.

The 150+ sessions presented across the conference tracks and exhibition floor will enable both conference and exhibition attendees to deep-dive key challenges—while also addressing daily challenges faced by industry professionals—across the 4 key focus areas:

- Reliability & Maintenance
- Shutdown & Turnarounds
- Engineering & Construction
- The Future of Downstream Plenary

Attendees will collaborate in audience-lead discussions to create tangible solutions that attendees can take back to their day-to-day jobs and network with peers.

The event in brief:

- 1,000 senior delegates and 40% owner-operator ratio in the conference room – meaning the best of the best will meet over the course of two content-packed days.
- 5,000 attendees at the industry's top networking opportunity: With attendees representing the leading decision makers from every major vertical, the exhibition will bring together the entire
