*Ranks Among Highest-Scoring Companies
For Organizational Culture and
Workplace Excellence*

DURHAM, NC, US, May 10, 2022

/EINPresswire.com/ -- [All American Entertainment](#) has been named to Inc. magazine's annual Best Workplaces list. Featured in the May/June 2022

issue, hitting newsstands on May 17, 2022, and prominently featured on Inc.com, the list is the result of a comprehensive measurement of American companies that have excelled in creating exceptional workplaces and company culture, whether operating in a physical or virtual facility.

“

I am extremely proud of the company culture that we have built here at AAE. Our team has shown a lot of resilience over the past two turbulent years in the event industry. This award is truly theirs.”

*Greg Friedlander, Founder
and CEO, AAE*

An industry-leading [speakers bureau](#) and talent booking agency, All American Entertainment has booked over \$200M in talent for corporate and university event organizers over the past two decades. In recent years, the company has booked celebrities, thought-leaders, and industry experts, including Bob Woodward, Diane Guerrero, Daymond John, Trevor Noah, Ken Jeong, and Mindy Kaling.

After collecting data from thousands of submissions, Inc. selected 475 honorees this year. Each company that was nominated took part in an employee survey, conducted by Quantum Workplace, which included topics such as

management effectiveness, perks, fostering employee growth, and overall company culture. The organization's benefits were also audited to determine overall score and ranking.

“We are honored for AAE to be recognized by Inc. as a Best Workplace in 2022,” said Greg Friedlander, Founder and CEO, All American Entertainment. “I am extremely proud of the company culture that we have built here at AAE. Our team has shown a lot of resilience over the past two turbulent years in the event industry. This award is truly theirs. They have worked tirelessly every single day to make our company successful and to create a fun, collaborative,

and healthy work environment.”

“Not long ago, the term ‘best workplace’ would have conjured up images of open-office designs with stocked snack fridges,” says Inc. editor-in-chief Scott Omelianuk. “Yet given the widespread adoption of remote work, the concept of the workplace has shifted. This year, Inc. has recognized the organizations dedicated to redefining and enriching the workplace in the face of the pandemic.”
