Silicon Beach Film festival enables filmmakers to show their films in a high quality theatre, plus offers additional perks, such as networking opportunities with professionals in the film industry. Filmmakers can get their films noticed in one of the world's largest technology media spheres- the Silicon Beach. Additionally, filmmakers are able to participate in Q & A sessions with an audience at the theatre. Silicon Beach is also home to YouTube, Google, IMAX, Yahoo, Sony Pictures Entertainment, Amazon, and Netflix. "We're excited to have created a large diverse community of independent filmmakers from around the world," said Peter Greene, Program Director

Filmmakers are encouraged to submit their short and feature films, documentaries, music

videos, experimental films, and screenplays as submissions are open on FilmFreeway through this link: <https://www.siliconbeachfilmfestival.com/submissions>.
