

Lynch LLP Offers Patent Protection Support for Inventors

Lynch LLP helps clients large and small protect their inventions across a wide range of practice areas and specializes in a wide range of technical fields.

CALIFORNIA, UNITED STATES, May 10, 2022 /EINPresswire.com/ -- Lynch LLP helps clients large and small protect their inventions across a wide range of practice areas. The firm has specialized expertise in a wide range of technical fields and focuses its practice on providing strategic guidance and services including patent prosecution as well as strategic patent counseling.

The firm's experience extends to clearance searching, prior art searching, product licensing, as well as litigation and enforcement of patent and other intellectual property rights.

Lynch LLP Partners

“

Every client is different, and that's why we come up with unique solutions for each client. We can help you develop a robust intellectual property portfolio.”

Connor Lynch, partner

“Everyone on our staff has a focused technical background,” said Sean Lynch, a partner at Lynch LLP.

“Every client is different, and that's why we come up with unique solutions for each client. Whether you're an individual inventor, a [startup](#), or an established business, we can help you develop a robust intellectual property portfolio.”

Lynch LLP attorneys have the scientific backgrounds to write patent applications to capture a new and novel

[invention](#) and also create an umbrella of coverage extending beyond the exact confines of the invention. The firm supports patent litigation to prepare and file patent applications of all types. Areas of expertise extend into negotiating and drafting licensing agreements.

The firm represents plaintiffs and defendants in a wide variety of proceedings before courts and the USPTO, crafting patent strategies that complement and further our clients' business

interests. The firm files utility [patents](#) and design patents to protect all aspects of your invention, with deep experience in:

- Medical devices
- Toys, board games, video games
- Machine learning & artificial intelligence
- Energy storage systems
- Off-road equipment & accessories
- User interfaces
- Beauty and cosmetics
- Online streaming services

Lynch LLP offers initial consultations at no charge.
