

The Ultimate Horror Slasher fan-film THE EVIL THREE; hits Indiegogo this Friday the 13th

HOLLYWOOD, CALIFORNIA, UNITED STATES, May 13, 2022 /EINPresswire.com/ -- Happy Friday the 13th: Award winning director CJ Vecchio is proud to announce his latest project is one of Biblical proportions. The first fully interactive fan driven [INDIEGOGO](#) campaign for the; THE EVIL THREE.

The Evil Three takes the three most iconic characters from the slasher/horror genre; Jason Voorhees, Michael Myers and Leatherface and puts them in one of most anticipated fan-films to date.

Taking place in present time, the Smith's Grove Sanitarium is closing due to federal & state budget cuts and they must transfer the last and most dangerous THREE (Jason, Michael & Leatherface) temporarily to the Livingston County Jail just outside Haddonfield, Illinois and lets just say...things go really bad.

"We are super excited about this Indiegogo campaign, it's going to be the first fan-film crowdfunder where the fans decide where the story takes us." says award winning director and writer CJ Vecchio. "The fans will choose who will win; Jason, Michael or Leatherface. They will also be able to vote on which ending we will film. It's one of the most fan-friendly projects I've seen."

Another first in the fan-film genre, the production team has over 50 IMDb Film Festival Wins. "We have some serious talent behind and in front of the camera!" states Daisy Shaffer the production organizer. In-front of the camera will be The Texas Chainsaw Massacre (2003) very own Leatherface BRETT WAGNER. We will be announcing more cast members weekly.

The Indiegogo will run for 60 days and filming will start in the Chicago burbs in late August/September.
