

Founder and CEO Engage Your Destiny on Truth & Liberty Coalition Livestream

Ben Peterson organizes Heroes Honor Festival 2022 at Daytona Beach, 27-28

WOODLAND PARK, COLORADO, UNITED STATES, May 11, 2022 /EINPresswire.com/ -- Ben Peterson, [Engage Your Destiny](#) founder and eight-year U.S. Army veteran guests on the May 16th livestream.

Peterson experienced the trauma of war. The prospect of coming home left him feeling extraordinarily vulnerable, according to a biographical sketch provided to the Truth & Liberty Coalition.

In 2016, Peterson founded the nonprofit organization Engage Your Destiny, which has a mission to build spiritual resilience in the men and women of the United States Armed Forces by focusing on engaging active military, veterans, and their families through digital and in person experiences. Engage Your Destiny's mission is to bring honor, help and healing to those who have served.

Engage Your Destiny envisions a world without veteran suicide. Over the last five years, Engage Your Destiny has trained 6,000 military through resiliency classes and connected 60% of engaged individuals into small groups.
