

# Northeast IT Service Provider Achieves Cisco Collaboration SaaS Specialization

*Custom Computer Specialists Achieves Cisco Collaboration SaaS Specialization*

HAUPPAUGE, NY, UNITED STATES, May 11, 2022 /EINPresswire.com/ -- [Custom Computer Specialists](#) ("Custom"), a leading technology solutions provider, announced today that it has met all program requirements and criteria to earn the [Cisco](#) SaaS Collaboration Specialization in the USA. This specialization recognizes Custom as having again fulfilled the training requirements and program prerequisites to sell, deploy and support the best meeting solutions for their customers.

"It is an honor to receive this distinction," said Suzanne McLaughlin, Executive Vice President of Sales and Marketing at Custom. "Custom is steadfastly invested in the people, processes, and technology to ensure our clients succeed. This specialization allows Custom to deliver robust, collaboration solutions to our customers."

“

Custom is steadfastly invested in the people, processes, and technology to ensure our clients succeed. This specialization allows Custom to deliver robust, collaboration solutions to our customers."

*Suzanne McLaughlin*

As a Cisco Collaboration SaaS Specialization partner, Custom has demonstrated its ability to provide sophisticated, value-added Cisco solutions through in-depth sales capabilities, technology skills and service offerings. Cisco Collaboration SaaS Specialization partners work with new and existing technologies to align components of these architectures with their customers' strategic goals, helping transform business processes,

boost organizational efficiency and accelerate the time to market.
