Macka B teams up with members of Steel Pulse and Birmingham based production team, My Boyz Beatz to produce a GT favourite.

After many hours of fun and games in the studio, My Boyz Beatz proudly presents a massive Macka B track, 'The Youth Are Being Hypnotised'. The track inspires us to be our best selves reminding us that despite all the surrounding influences, there is infinite potential within us all.

GT's production has expertly lifted the track to higher levels, putting together a band of master musicians including members of Steel Pulse, Selwyn Brown (keyboards) and Amlak Tafari (bass) alongside Gary Moore (guitar), James Crosdale (synth's) and David Skins (drums)

With this production GT has fulfilled his ambition to produce Macka B. GT has had his eye on Macka B since the iconic MC show at Maxamillion Night Club, Broad Street Birmingham where Macka B performed alongside Pato Banton, Tippa Irie & Papa Levi.

GT says, "It is clear that Macka B is a conscious, consistent class act. Big love to all who have

contributed to make this song what it is. Thank you for the awesome experience. This one is for the fans..."
