

Acrow Names Gordon Scott Vice President Business Development and Operations at Acrow Canada

Appointment positions the global provider of premier modular bridging solutions for continued expansion across North America

TORONTO, ONTARIO, CANADA, May 12, 2022 /EINPresswire.com/ -- [Acrow](#), a leading international bridge engineering and supply company, today announced the promotion of Gordon Scott to Vice President Business Development and Operations at Acrow Canada. In this new role, Scott will take on the broader responsibility

of managing strategic aspects of Acrow Canada and work closely with the executive management team to drive the continued growth of the Acrow Group as a whole. He is based in Acrow Canada's Toronto office and will report to Russ Parisi, Vice President and General Manager North America at Acrow.

“

Gordon's well-deserved promotion reflects his tremendous success in expanding our business throughout Canada”

Bill Killeen, Acrow CEO

our collective success.”

Added Bill Killeen, Acrow CEO “Gordon's well-deserved promotion reflects his tremendous success in expanding our business throughout Canada. His engineering expertise and extensive operations experience have given him the background necessary to advance Acrow Canada's position as the premier provider of modular bridging solutions throughout the country.”

Gordon Scott, VP Business Development and Operations, Acrow Canada

"I am grateful for the opportunity to continue to support the infrastructure needs of Canadians with high-quality bridging solutions," said Scott. "It is an honor to work with the entire Acrow team, each of whom has a strong commitment to service excellence."

Since joining Acrow in 2012, Scott has held positions of increasing responsibility, most recently as Director of Operations and Sales. He began his career as a structural engineer with Delcan, a Parsons Company. Scott received a bachelor's degree in Civil Engineering from Western University and is a Licensed Professional Engineer.
