

New York's 'Enzo Footwear' Takes a Big Step in the Fight Against Cancer by Giving Portions of Sales to Charity

Enzo Footwear gives proceeds of footwear sales to fight cancer.

PORT WASHINGTON, NY, UNITED STATES, May 19, 2022

/EINPresswire.com/ -- [Enzo Footwear](#), "The People's Footwear Brand," is always looking for a way to give back to the underserved demographic in their community. They never forget from which they came. Their faithful supporters are the lifeblood of their success. Earlier this year, in appreciation of their dedicated customers, and in recognition of Black History Month, Enzo Footwear gave away twenty-eight pairs of [sneakers](#). One free pair for each day in February. Now, Enzo Footwear is launching another charitable gesture by releasing a sneaker dedicated to people who are battling cancer. Deaths from cancer are most prevalent in marginalized members of society. According to the AACR report, "Education and income are the most important social factors related to higher rates of cancer deaths in communities of color." A portion of the proceeds from each sneaker sale are donated to the American Cancer Society for research in the fight against this common enemy.
