Another project Dominique is extremely excited about is his affiliation with [Wells of Life](#) Foundation. He loves traveling with his family and meeting people from different cultures. "Seeing how harsh life can be in different parts of the world made me realize how important it is for me to act and help when I can. One person can make a huge difference. I became one of the ambassadors for this amazing charity, which has been digging wells and bringing water to the

neediest people of Uganda for more than 10 years. I chose this organization because I know the founder and the people who run it. They are truly amazing people and an inspiration to me.” Dominique Ilie. You can get involved and join Dominique’s team @thewellsoflife on June 11th for the #run4water2022 event in Laguna Niguel! @thewellsoflife.

Dominique can be found rehearsing with his band for their upcoming shows and writing songs with a variety of collaborators. A prolific songwriter, his biggest dream would be to collaborate with great artists like Tyler the Creator, Kendrick Lamar, and Billy Eilish. His goal has always been to create notable music with the potential for longevity that touches people and makes an impression in their lives. Of course, hitting the

Billboard #1 would be great too! If this happened, he could obtain his goal of performing to a sold out audience at the Staple Centre by the time he is 18! Dreams might just come true for Dominique Ilie and they can come true for you too! Simply reach out on Dominique's website or social media and your city might be added to his next tour!
