Advantages of ASwap:

- High asset security with 0 incidents.

AEX has been running securely for 9 years since it was established in 2013. To date, there has been neither a theft nor a security incident, proving that AEX deserves the trust of its users.

- Superior APR

ASwap offers several liquidity pools with a APR that is higher than the industry average, and users enjoy 0 gas fees and fast receipt of interest. The stable pool includes two stable coins, and users who have large digital assets can even enjoy an interest rate increase (up to 2%).

Time of the activity: 11 May, 7:00 - 31 May, 7:00(UTC).

To participate in the activity, users must sign up quickly, because APR fluctuates with TVL. In addition, users who successfully refer their friends to ASwap will receive 2% of their friends' earnings as a refund. At the same time, users can earn a reward of up to \$10,000 for inviting friends to participate in AEX's 3rd anniversary activities.
