NEW YORK, NEW YORK, USA, May 17, 2022 /EINPresswire.com/ -- In the newest video for the Harpers Bazaar "Go to Bed with Me" series, Super Model Irina Shayk takes us through her nighttime skincare routine. The model uses many products, but the most exciting is a Gold, oddly shaped Radio Frequency Facial Device (pictured in the video below) that she uses to de-puff and tighten her skin at night before bed. abilities, as Irina explains, and "It is so easy to use". The model previously expressed her love for esthetician Nicole Caroline's viral luxury Ice Facial sets in a video for Vogue. Radio Frequency is known for its skin tightening abilities, but Nicole Caroline wanted more for her clients. She wanted a brand new device that could also mimic a professional facial massage, provide LED light, infuse products, and provide the Radio Frequency current.

It's so easy to use it, besides Nicole's Ice Cubes that I love to use"
