Robert Stephenson, CBO at RoboForex comments: “We express our gratitude to everyone who voted for our company. It’s been the third straight year we received the Most Trusted Broker (Global) award but this fact doesn’t make it less valuable. Maintaining a high level of services amid the business expansion is not an easy task. We’re very delighted to justify our clients’ credit of trust – it proves that we’re doing a good job”.

International Business Magazine Awards was established in 2018 and has since then become a landmark event in determining the most outstanding and prospective business enterprises all over the world. The organisers make shortlists of the companies from different regions and jurisdictions to choose from: the Middle East, Africa, America, Asia, and Europe. The process of determining the winners is controlled by the committee that consists of the leading experts in their fields and the award panel.
