ABCG bowls are a worthy addition to any collection. The auction has plenty, to include the following:

- An ABCG punch bowl in the Sultana pattern by Dorflinger, with an outstanding sterling silver rim embossed with roses and marked Shreve & Co. (San Francisco) with a monogram on silver.
- An ABCG bowl in a hobstar, vesica, strawberry diamond and fan motif, with a Redlich sterling silver rim with embossed lilies and elaborate reticulation, the silver marked Mermod & Jaccard.

Also offered will be an ABCG ice cream set including a tray with hobstar, cane, strawberry diamond, fan and notched fan motif and 10 pattern matched plates. These represent just a handful of the gorgeous, desirable items in the auction.

Collectors take note: Woody Auction stresses that if a piece is labeled as "ABCG", it is confident the piece is 100 percent American Brilliant Cut Glass. If a piece is labeled "BPCG", it is confident the piece is Brilliant Period Cut Glass, but it may (or may not) be American. If a piece is labeled simply as "Cut Glass", Woody Auction does not make any firm statement as to the age or maker of that item.
