

Olive Swan, The Feminine Princess, Releases Her 37th Book, Feminine Rhythm

LOS ANGELES, CA, USA, May 14, 2022 /EINPresswire.com/ -- Mrs. Olive Swan, aka The Feminine Princess, has compiled a collection of 7 colorful books that she wrote, filled with fun activities on reconnecting to the Rhythm of God for Women. This collection experiments with a plethora of expressive arts, like journaling, smelling scents, redecorating, playing finger cymbals, drawing, exploring nature, and more! The book delves in modern ways to learn and live ancient truths of connecting to the feminine rhythm created by the Ancient of Days, the Lord.

Feminine Rhythm encourages feminine readers to “play like children, create pleasurable events, and flow in womanhood”, by doing a plethora of prompts, questions, and actions to shift her into divine coordination. Co-written by the Holy Spirit, women are “called to participate in their own healing, health, and worship to the Most High God” in doing the activities in these books.
