

TAP Financial Partners Selects Thompson to Chair Advisory Board

Larry E. Thompson brings a wide variety of expertise, experience, and professional contacts to TAP's senior advisors and clients within its ecosystem.

MIAMI, FLA. , USA, May 16, 2022 /EINPresswire.com/ -- [TAP Financial Partners](#), a privately-held, boutique merchant bank, has named Larry E. [Thompson](#) chair of its Board of Advisors. Thompson will lead a group of corporate finance experts that will provide strategic counsel to [TAP's senior leadership](#) and significant contacts to clients on the company's roster.

Larry's expertise will be a significant resource to our company and the clients within our ecosystem. Yet as impressive as his knowledge is, even more important is the quality of his character. "

Bob Press, TAP Financial Partners founder

Now semi-retired, Thompson spent most of his professional career as a leader within the Depository Trust & Clearing Corporation (DTCC), a provider of post-trade market infrastructure for the global financial services industry. Ultimately rising to chair the organization's operating committee, Thompson was an integral part of

the company during a time it operated in 16 countries and, through its subsidiaries, automated, centralized, and standardized the processing of financial transactions, mitigating risk, increasing transparency, and driving efficiency for thousands of broker/dealers, custodian banks, and asset managers worldwide.

A cum laude graduate of Yale University and the University of California at Berkley's Boalt Hall School of Law, Thompson brings more than 40 years' experience to his advisory role, having focused primarily on corporate law, risk management, contracts and negotiation, regulatory affairs, litigation, and human resource/labor matters during his career.

"Larry's expertise will be a significant resource to our company and the clients within our ecosystem," said Bob Press, TAP Financial Partners founder. "Yet as impressive as his knowledge is, even more important is the quality of his character."

At the board level, Thompson is the vice chair of the Federal Home Loan Bank of New York and the current chair of FTX US Derivatives, an organization that focuses on futures and options in the cryptocurrency industry.
