## ABOUT

C.L.O.S. which stands for 'Cold Lyrics on Site', is the rap identity of an up-and-coming Hip Hop artist who is swiftly rising towards success. C.L.O.S began rapping after being motivated by his friend Josh who formed a group with him titled, '2 thuggish' giving him valuable headway early on. Adopting his Rap name from his friend Ronald who suggested the artist the name, C.L.O.S has ever since, been on an exciting upward journey, which began with his foray into poetry.

The eclectic artist has been making music for 28 years, but did not receive a big break early on, obstructed by the many hurdles posed by affordability. As a result, despite having a formidable set of skills, C.L.O.S did not invest in marketing his musical craft. Inspired by the likes of icons such as the late Hip-Hop maestro, 2pac, the rising artist hopes to make music that is poetic, moving, and heartfelt, cementing himself as both a rapper and poet. With a magnetizing musical craft, C.L.O.S. hopes to put Minneapolis and Minnesota on the Hip Hop map, giving his home city the much awaited and well-deserved attention that it deserves.
