

# OneDine® Brings Enhanced POS Features to the PAR™ Technology Ecosystem

*Enhanced mobile features, server technology increases unit efficiency and helps combat labor concerns*

PLANO, TEXAS, UNITED STATES, May 17, 2022 /EINPresswire.com/ -- ParTech, Inc. (PAR), a global restaurant technology company providing a unified commerce cloud platforms for enterprise restaurants, announced a new partnership with OneDine® to integrate their low-contact, labor-optimized technology into the growing PAR ecosystem. ParTech, Inc., is a wholly owned subsidiary of PAR Technology Corporation (NYSE: PAR).

OneDine's solutions provide the innovation to elevate the customer experience, one that will be a benefit to brands nationwide."

*Sr. Vice President of Sales, PAR Technology*

OneDine's technology interfaces with restaurant POS software to provide mobile or server tablet menu browsing, ordering, and payment; with the ability to keep

tabs open, split checks, and pay using a variety of contactless methods. OneDine also features a myriad of off-premises tools, including online ordering, curbside pickup, text-to-pay, and arrival notifications in addition to survey tools, offer management, and smartwatch support, providing an elevated experience for guests and staff alike.

Customers of PAR can now experience all the benefits of OneDine's solutions to provide enhanced dynamic menu and order communication between staff/guest devices and their point-of-sale systems, seamlessly streamlining on- and off-premises ordering and managing peak performance in accordance with labor needs as volume increases.

"Our aim is to partner with true leaders of innovation and technology in the restaurant and hospitality space," said Rom Krupp, OneDine Founder and CEO. "PAR's best-in-class solutions, large industry footprint, and overall professionalism make this integration a perfect fit for our brand partners."

"We're always pushing the envelope of POS technology and looking for integrations that add functionality and user power without needlessly exasperating the tech stack behind it," said Kevin Froese, Sr. Vice President of Sales, PAR Technology, "OneDine's solutions provide the innovation to elevate the customer experience, one that will be a benefit to brands nationwide."
