

AEX Global is celebrating the 3-year Anniversary

AEX Finance has been operating safely for 3 years and currently celebrating anniversary where users can get airdrops and bonuses in DeFi Pool, Loan and ASwap

HONG KONG, CHINA, May 18, 2022 /EINPresswire.com/ -- Founded in 2013, [AEX](#) Global now has three derivatives, including savings, loans and [ASwap](#) liquidity mining, and offers unique services such as asset growth, DeFi mining and asset turnover, etc. to users from over 100 countries and regions.

Diversified Financial Ecosystem and Competitive APR

AEX Global aims to provide 1 billion users with a diversified digital asset management service that is secure, complete, and easy to use. Since April 2019, AEX has gradually built a diversified finance ecosystem that includes Fixed Savings, Flexible Savings, DeFi Pool, Staking, Dual Investment, Aswap, and Loans. AEX finance supports the use of more than 100 types of coins, and the returns are among the best in the industry, attracting more and more users.

1. Savings: over \$187 million generated for users

AEX Savings has received a total of more than \$48.8 billion in investments from over 19000 users, and in return has generated more than \$187 million in profits. Both BTC and ETH have 8.8% APR and USDT has 13.5% APR on AEX Global, which is leading in the industry, and VIP can look forward to interest rate hikes.

On AEX Savings there are Fixed Savings, Flexible Savings, DeFi Pool, Staking and Dual Investment. Savings includes all deals where you can stake your coins and earn interest.

- Various ways to invest your assets; 70+ coins available

- 7-fold risk control system; 100% reserve rate

- High quality coins with up to 100% APR

- Start investing with as little as 1 USDT .

2. Loan: AEX Loan lends \$1.42 billion to our users

AEX is the first digital asset exchange to offer an interest-free loan service when the LTV of hot coins like BTC and ETH is below 15%. The loan has been in operation for more than 3 years, offering low-interest borrowing and fast disbursement. The AEX loan has been lent a total of 288104 times, which is a total amount of \$1.42 billion. Apart from interest-free borrowing and sliding scale discounts on the interest rate, AEX has created a unique model that promises to never liquidate as users can add positions every day.

AEX offers three ways to borrow coins: AEX Loan, C2C Loan, and Instalment, through which users can obtain the assets they need without having to deploy their own crypto assets.

- Low interest rate: up to 0 daily rate;

- No upper limit: you can take out large loans ;

- Never liquidate: Positions are held for one day;

- Pairs of coins available: BTC, LTC, ETH, GAT, etc.

3. ASwap: \$163 million in the liquidity pool

ASwap is an AMM-based liquidity mining product where you can mine on various chains such as ETH, Solana, BSC, HECO and Polkadot. ASwap users have flexible access to their digital assets and can receive their returns quickly. And at the same time, they can withdraw or reinvent their earnings at any time.

- 200+Liquidity pools, generate more income in GAT;

- No lock-up, flexible access to your assets;
- Assets secured, 0 security incidents;
- APR higher than industry average;
- Fast service for trading.

9 Years of Safe Operation Worthy of Your Trust

AEX's strong technical team has been dedicated to modernizing and improving the exchange and wallet system to meet the various security challenges of the Internet. With a reserve ratio of 100% as a guarantee, AEX Savings now offers protection for users' assets with crypto licenses and fiat currency compliance.

Saving with guaranteed principal and interest creates a solid foundation for returns. Fixed Savings, Flexible Savings, DeFi Pool and Staking guarantee users principal and interest, which helps many users earn a lot.

AEX is both safe and efficient. Since 2013, when AEX was established, there has not been a serious safety incident. A 100% reserve ratio ensures the safety and efficiency of trading.

User Asset Protection Policy. With crypto licenses in many countries and territories, including Canada, the U.S., Singapore, and the U.K., AEX can conduct foreign exchange transactions, principal payments, digital currency transactions, and other business in many regions.

Thanks to the security of AEX assets, high returns, and creditworthiness, users can withdraw their digital assets or convert them into fiat. More and more users are choosing to invest in AEX.

On the occasion of the 3rd [anniversary](#) of the AEX Global financial product, AEX has planned four activities to thank the users of the platform.

Savings provides high profits and up to 0.5 BTC ranking reward; ASwap launches DOGE genesis mining with a genesis APR of over 600%; Loan offers tier discounts and interest-free loans; other low-threshold, high-profit events like referring friends to win up to 1,000 USDT.
