

# Behind the Scenes with Dr. Mark Su on Real Patient Data

*Join Health Company CellCore Biosciences' Expert Webinar on Clinical Pearls*

MERIDIAN, ID, UNITED STATES, May 18, 2022 /EINPresswire.com/ -- To continue their monthly webinar series dedicated to providing cutting-edge education to health practitioners, health company CellCore Biosciences is inviting Dr. Mark Su, MD, FAAFP, in an expert webinar on Thursday, May 19th at 6:00 pm MDT.

CellCore's 'Clinical Pearls' webinar will cover how Dr. Su uses CellCore to transform his patients' results, the behind-the-scenes data on real patient outcomes, and how he captures diagnostic testing and other clinical pearls of wisdom.

“

I am thrilled to have Dr. Su as our expert for this week's webinar, and even more excited for him to be speaking at our health convention, ECO, this August.”

*Dr. Jay Davidson, cofounder of CellCore*

Dr. Su is a board-certified family medicine physician who has been in full-time clinical practice for 19 years. He practices functional medicine both as a consultant and as a primary care physician north of Boston; he is also the founder of a new national virtual medical practice called Functional Medicine Consulting Group. He's known for being inquisitive, analytical, and empowering. Dr. Su also currently serves as vice president for the International Society for Environmentally Acquired Illness (ISEAI).

CellCore co-founder Dr. Jay Davidson shares, “We are so grateful for our network of talented practitioners who help us provide top tier education. I am thrilled to have Dr. Su as our expert for this week's webinar, and even more excited for him to be speaking at our health convention, [ECO](#), this August.”

CellCore is a natural wellness company focused on providing health solutions to support

detoxification, gut health, and the immune system. They partner with practitioners globally to provide natural health support to their patients or clients. Dr. Su is one of those practitioners who has become an advocate for the brand.

Health practitioners are invited to register for CellCore's 'Clinical Pearls' webinar on the CellCore website (<http://cellcore.com/webinar>).

If you are a health practitioner, you can apply to become a CellCore practitioner on the CellCore website (<https://cellcore.com/>).
