"The American Red Cross is proud to serve communities in times of crisis -- and celebration. "That's why we are happy to join our neighbors in Payson and Orem to participate in these music festivals," said Heidi Ruster, Chief Executive Officer of the American Red Cross Utah/Nevada Region. "The event will also serve as an opportunity for festival participants to learn more about the Red Cross, donate or volunteer, and help save lives."

Additional sponsors and volunteers for the festivals are currently being sought. Fans can follow the development of Utah Live Concerts events at <https://utahliveconcerts.org/> .
