Maintenance Solutions Inc. AMI and AMS are located in Boise, and were owned by its President, Alana Ashby, who owned the company for 12 years. “

This acquisition will lead to exciting new opportunities for our company as well as our team. We are thrilled to partner with AMI and expand to Idaho.”

Cary Treff, CEO of Keystone

“I’ve been working closely with Keystone CEO, Cary Treff, on this acquisition and I knew Keystone will continue to deliver the high-quality customer service with integrity that

AMI customers have come to expect,” said Ashby, who will continue on with Keystone as a leader in Boise.

AMI has strong leadership and delivers outstanding customer service to their managed associations, which makes them a great fit to continue Keystone’s growth in the expanding Boise, Idaho market. The acquisition will expand Keystone’s portfolio to almost 650 clients in addition to adding thirty-five new team members.
