

Oakland Schools Technical Campuses Partner with Arizona College of Nursing

PHOENIX, ARIZONA, USA, May 19, 2022 /EINPresswire.com/ -- [Oakland Schools Technical Campuses](#) (OSTC) have entered into an agreement with the [Arizona College of Nursing](#) in Southfield. As part of a unique partnership, students who successfully complete OSTC's Health Sciences program and meet Arizona College of Nursing's requirements will be accepted into the nursing program. Students can earn a Bachelor of Science (BSN) degree in three years or less with qualifying transfer credits.

"This new agreement with OSTC opens up opportunities for students to earn a degree and prepare for a career in nursing," said Chris Chavez, Executive Director of Academic Operations, Arizona College of Nursing, Southfield campus.

Qualifying OSTC students will have priority admissions, and our team will assist transferring students through the admissions process from start to finish. We continue to see a high demand for new nurses and this pathway ensures OSTC Health Science students can easily transition to the next step of their education".

According to the U.S. Bureau of Labor and Statistics, the median annual wage for registered nurses is more than \$77,000. They project that the employment of registered nurses will grow an average of nine percent over the next decade, equaling nearly 200,000 openings annually until 2030.

The State of Michigan projects a nearly 10 percent growth rate for registered nurses through 2028, equaling more than 6,500 annual openings.

"We're excited to announce this partnership with Arizona College of Nursing," said Oakland Schools' Superintendent Dr. Wanda Cook-Robinson. "We work continuously to identify
