

PharmaCircle to Showcase its Newest Product – Smart Search - at BIO International

PharmaCircle Offers the Smart Search Trial Version to the BIO Attendees and Participants during the Event in San Diego, between June 13-16th

SAN DIEGO, CA, UNITED STATES, June 1, 2022 /EINPresswire.com/ --

[PharmaCircle](#), the leading provider of authoritative information, global insight, and expert analysis on the pharmaceutical, biotech, drug delivery technology and device industries, participates at the BIO International event to showcase its latest innovation Smart Search.

PharmaCircle delivers a comprehensive view into drug, biologics and combination product development and innovation worldwide, and a combined scientific, regulatory, supply chain, and commercial perspective of the competitive landscape.

[Thomas DePaul](#) , Vice President, Sales & Marketing stated: "[PharmaCircle Smart Search](#) delivers a search experience that yields precise results quickly and effectively, and includes company profile reports, pipeline and product intelligence, and industry news. PharmaCircle has been attending BIO International for over a decade. We are looking forward to be there in person this year. Moreover, we will offer a one week trial to PharmaCircle Smart Search to the BIO International Convention attendees."

"Indeed, we are excited to see our clients in-person at BIO International as the convention has been online the past two years. Our clients have been telling us that it's hard to find good data. PharmaCircle is the best they have ever seen. See for yourself at PharmaCircle Booth #4315 ." quoted Chris Kelley, Manager of Client Services at PharmaCircle.

The image shows the PharmaCircle logo at the top, which consists of the word "PHARMA" in red and "CIRCLE" in blue, with a blue swoosh underneath. Below the logo is a photograph of a person in a dark suit pointing their finger at a glowing digital interface with various rectangular shapes. Below the photograph is the text "Precise Pharma Business Intelligence At Your Fingertips".
