

# SAE Media Group Announces the date for 2nd Annual Aseptic Processing Conference

*SAE Media Group reports: The return of the Aseptic Processing Conference 2022, taking place in London, UK, on the 19 and 20 September 2022.*

LONDON, LONDON, UNITED KINGDOM, May 20, 2022

/EINPresswire.com/ -- Due to its first year's success and the continued growth of the industry, the [2nd Annual Aseptic Processing Conference](#) will return, this year in-person in UK, on the 19 and 20 September 2022.

The Aseptic processing industry has seen consistent development in recent years, with advances in innovative therapeutics, the introduction of novel techniques and personnel protocols, the integration of robotics and automation in filling lines, and the rise of rapid microbiological methods being just a few of the factors driving this growth.

The theme of this [year's conference](#) is: Driving a Holistic Approach to Assurance of Product Sterility through Aseptic Manufacturing following QRM Principles

Interested parties can visit the website and register at <http://www.asepticprocessing.co.uk/einPR1>, an early bird offer save £400 expires on 31st May 2022.

Chairman this year is announced to be James Drinkwater, Head of Aseptic Processing Special Interest Group PHSS, and Head of GMP Compliance, F Ziel GMBH.
