*Women Making Moves (& Money) in Real Estate (Ventura County)*

OXNARD, CA, UNITED STATES, May 22, 2022 /EINPresswire.com/ -- Women Making Moves (& Money) In [Real Estate](#). Both men and women invest in real estate. But honestly, women have certain “challenges” that men just don’t have to think about. Men have no clue what that means, but women know exactly. So please join the [Ventura County](#) Real Estate Investors Association monthly meeting, Wednesday night, June 8, 2022, 6:30 to 9:30 pm, where attendees will learn how to confront these challenges and become a successful real estate investor.

Guest Speakers: This month VCREIA has a unique panel of four women who are kicking butt in Real Estate? Their stories are as different as their personalities, but they all share two things in common: They are successful at what they do and they earn a good living doing it! Attend and learn what advantages women have when investing in real estate. (Men can attend too, but at their own risk.) During this panel discussion, attendees will learn:
