The golf tourism market consists of sales of golf tourism by entities (organizations, sole traders, and partnerships) that refer to the trips undertaken by people to play golf. Golf is a sport in which players use a club to hit a small ball into a series of cups set out on a course. Golf tourism is a part of sport tourism, which is one of the tourism industry's fastest-growing segments. Golf tourism refers to domestic or international trips taken by people who play golf at least once while traveling to any destination.

## Global Golf Tourism Market Trends

Strategic collaborations and partnerships have emerged as a key trend gaining popularity in the golf tourism market. Major companies operating in the golf tourism sector are focused on strategic collaborations and partnerships to reinforce their position.
