

# KlaymanToskes Secures a Full Recovery in FINRA Arbitration Award

*For Florida Securities Broker in Employment Dispute with Cronus Equity*

NEW YORK, NY, USA, May 23, 2022 /EINPresswire.com/ -- National securities law firm [KlaymanToskes](#) is pleased to announce a full recovery on behalf of their client against Cronus Equity, LLC for FINRA securities arbitration [Case 21-02209](#).

In the FINRA case, the Claimant contended that, after striking a deal to sell his brokerage firm to financial services firm Cronus Equity, the Respondent breached its employment agreement by refusing to make salary payments to the broker for his role as the firm's Chief Compliance Officer.

After submitting evidence to the FINRA arbitrator, he agreed with the

Claimant's claim and supporting evidence, and the Florida-based broker was awarded all of his compensatory damages and attorney's fees.

According to securities attorney Steven D. Toskes, Esq., "We are proud to have represented [our client](#) who is a hard-working securities professional who spent over 27 years in the brokerage industry. This award shows that the FINRA arbitration forum works. Our client's compensation was wrongfully withheld by Cronus Equity, and he is pleased to have been awarded a full recovery."
