

GBA & eZ-XPO host All-in-1 Hybrid Blockchain Expo Conference for Virtual Pitch, NFT, and Job Fair

Blockchain technology can protect the environment and foster economic growth advancing health care systems.

SAN FRANCISCO, CALIFORNIA, UNITED STATES, May 23, 2022

/EINPresswire.com/ -- eZ-Xpo, the global leader in Virtual Collaborative Network and GBA (Government Blockchain Association), announced the world 1st All-in-1 Hybrid Blockchain Expo Network to empower all blockchain entrepreneurs, investors, and all stakeholders to Virtual Conference and Expo for ongoing collaboration, training, and startup showcase on May 25 to 27, 2022 in Washington DC.

Unlock the Power of Hybrid Work 365 for Hybrid Work & Events

Higher SEO Ranking - Zero Friction - Highly Sticky - Lower Costs

Unlock the Power of Hybrid Work 365 to Unleash the Benefits of Both Remote Work

This event theme is focused on Blockchain & Sustainable Economic Growth covering 1) protecting the environment, 2) providing secure and self-sovereign ID, 3) advancing healthcare systems; and 4) fostering economic growth.

“

The new hybrid event trend calls for a collaborative network that can work seamlessly in virtual and physical settings. We are excited to initiate this initiative with eZ-Xpo”

Gerard Dashe, Executive Director of the Government Blockchain Association

“The new hybrid event trend calls for a collaborative network that can work seamlessly in virtual and physical settings. We are excited to initiate this initiative with eZ-Xpo.” - said Gerard Dashe, Founder and Executive Director of the Government Blockchain Association.

“Based on the latest McKinsey and MIT/Deloitte report, every organization should build a partner network ecosystem for the new normal. We are honored to partner

with GBA to help empower all blockchain stakeholders and game-changers to educate both

government officials and investors. With the new Hybrid Expo Network, GBA can accelerate blockchain opportunities 24/7 as well as innovation for everyone through Virtual Pitch, and Virtual Job Fair,” said Matt Fok, CEO, and Founder of eZ-Xpo.

The GBA – Virtual Collaborative Network 365 will include the following game-changing features and benefits: (1) Virtual Lobby Session Tracks with integration with Zoom and all webinars, (2) Exhibit Halls - [Virtual Pitch Competition](#), Virtual Job Fair, and Virtual NFT, and Forum for ongoing discussion before, during and after the event, (3) Chat (Group, Private, Video, and AI-Chatbot), (4) Virtual Auditorium with live streaming by Session Tracks with live chat engagement, (5) Virtual Lounge for open networking with live chat (text and video), and (6) Marketing Analytics for the best-qualified leads.

Here is a shortlist of Startups in the GBA – Virtual Innovation Showcase: BeHealth, Exponential Healthtech Advisors, Pocmi, and Vlinder.
