

Norman Reedus on the End of an Era

LEO interviews Norman Reedus on 12 years of killing zombies and capturing viewers' hearts on AMC's The Walking Dead and more.

LOS ANGELES, CA, USA, May 24, 2022 /EINPresswire.com/ -- After 12 years of killing zombies and capturing viewers' hearts on AMC's 'The Walking Dead,' Norman Reedus has a new book coming out this month, 'The Ravaged,' a story of three personal quests with abnormally parallel outcomes. It's the locations. It's the rhythm of getting on my motorcycle early in the morning and riding through the woods to go to work, you know. All the things that I've grown to love over 12 years coming to an end is kind of shocking. There's a feeling of accomplishment...
