About EPR-Technologies

Andy Jacob Interviews Dr. Lyn Yaffe, Chairman & CEO, EPR-Technologies On the DotCom Magazine.

Our Vision is that EPR is the next emergency life-saving “Standard of Care” procedure following failure of CPR on any victim of cardiac arrest. And that every victim is able to come home from the hospital and live a normal life.

The company is a biomedical spinoff of the Safar Center for Resuscitation Research, University of Pittsburgh, and is committed to the preservation of human life through rapid profound hypothermia by introducing patented products for “Emergency Preservation and Resuscitation” (EPR) to save a life when standard cardiopulmonary resuscitation (CPR) fails.

Andy Jacob says, “It’s the goal of DotCom Magazine to provide the absolute best in what entrepreneurship has to offer. We have interviewed many of the world’s leading entrepreneurs in their respective field. It takes amazing leadership to build a company like EPR-Technologies. There are so many powerful and talented entrepreneurs throughout the world, and I am extremely fortunate to interview the best of the best. I always come away humbled by how many talented people are building amazing companies. As we scout the world for interesting entrepreneurs and companies, it is always a wonderful experience to meet leaders like Dr. Lyn Yaffe, who are forging an incredible path for others. At DotCom Magazine, we believe entrepreneurs are the heartbeat of the world. We believe it is a world where risk takers must be lauded, saluted, and respected. Successful entrepreneurs get up every morning and give an amazing effort. We salute the business leaders of this world like Dr. Lyn Yaffe, Chairman & CEO, EPR-Technologies
