

Spark Training Solutions Nationally Certified as a Women's Business Enterprise

Spark Training Solutions, a Railroad Software Provider, Serves Class 1, Short Line Railroads and Contractors with Safety, Regulatory and Compliance Training

ST. PAUL, MN, U.S., June 14, 2022 /EINPresswire.com/ -- [Spark Training Solutions](#), a railroad safety, compliance training and drug & alcohol testing company, announced today national certification as a Women's Business Enterprise by the Women's Business Enterprise National Council ([WBENC](#)).

The WBENC standard of certification implemented by the Women's Business Development Center ([WBDC](#)) is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women.

“

WBENC Certification is the gold standard for women-owned businesses in the U.S. We believe supplier diversity promotes innovation, opens doors, and creates partnerships that fuel the economy.”

Women's Business
Development Center*

“We are delighted to receive national certification as a women-owned business,” says Katie Inouye, CEO and founder of Spark Training Solutions. “This certification benefits local and regional railroads, as it gives them a choice of selecting a diverse and trusted supplier partner.”

This year, WBENC, the nation's largest third party certifier of businesses owned and operated by women celebrates 25 years of powering and empowering women's

entrepreneurship through certification, education, leadership and networking. “WBENC Certification is the gold standard for women-owned businesses in the U.S.” says Bridget Foster, Director, Certification Services, Women's Business Development Center (WBDC), Chicago. “We

believe supplier diversity promotes innovation, opens doors, and creates partnerships that fuel the economy.”
