The online homeschool service has grown through word-of-mouth by parents enthusiastic about the curriculum. "I will be homeschooling in the fall and my cousin told me about your amazing curriculum so I wanted to check it out," says one parent. "I really appreciate all that you do to provide a quality curriculum for parents such as myself," says another.

DiscoveryK12 offers an online curriculum for pre-k to twelfth grade with over 100 courses, 16,000 assignments, quizzes and tests, and an optional Parent/Teacher Account that provides curriculum, assessment, and reporting tools.

Student Accounts are free, and the Parent/Teacher Account is available for an annual fee. Learn more at discoveryk12.com.
