

# Home Organization Industry Booming--Dial Industries Inc. and MarketBlast Looking to Discover Innovative New Products

*Product owners and innovators can submit their storage and organization product directly to Dial Industries Inc® at no cost using the MarketBlast platform.*

MONROEVILLE, PA, USA, May 26, 2022 /EINPresswire.com/ -- California-based company Dial Industries Inc.® and innovation platform [MarketBlast](#)® kick-off a global product hunt for exciting and innovative products that simplify people's lives, primarily in the area of storage and/or organization.

Sales of home organization products are predicted to reach \$13.5 billion by 2025, according to market research company The Freedonia Group. The COVID-19 pandemic triggered a significant spike in home organization product sales as consumers searched for new and innovative ways to utilize their home spaces, and sales aren't slowing down any time soon.

“

If somebody came up with the ideal item for me, it would be a unique drawer organizer for a closet or kitchen. That's some of where our best items have been.”

*John Macho-Vice President  
Dial Industries Inc.*

Dial is accepting product submissions for unique home storage or organizational products, specifically for the kitchen, bathroom, closet, or garage.

“If somebody came up with the ideal item for me, it would be a unique drawer organizer for a closet or kitchen. That's some of where our best items have been,” says Dial Industries Inc.® Vice President John Macho.

Submissions for the hunt can be made by all suppliers, manufacturers, startup companies, professional

developers, product engineers, and innovators with product innovation ranging from prototype stage through retail-ready products.

There are no upfront costs or commissions for submitters to participate in this hunt. To [submit](#) directly to Dial Industries Inc.® create a MarketBlast account, add your product to your account and search “Dial” from the list of open hunts.
